Equal Opportunities Policy

As a Rights Respecting School, we promote the values and principles of the UNCRC.

This policy promotes and enables children to access Article 8: The right to an identity, Article 12: I have the right to be listened to, and taken seriously. Article 23: If I have a disability, I have the right to special care and education. Article 29: I have the right to an education which develops my personality, respect for others' rights and the environment.

POLICY FOR EQUAL OPPORTUNITIES

Ysgol Gymraeg Tan-y-lan aims to provide all pupils with equal opportunities. They should have equal access and opportunities within the Curriculum, both formal and informal, so that when leaving our school they have the widest possible options available to them, educationally, socially and vocationally.

Ysgol Gymraeg Tan-y-lan supports equal opportunities by countering stereotypes and prejudice, reducing the effects of sexual, racial and social discrimination, while at the same time acknowledging the diverse cultural and educational needs of our pupils.

Equality of opportunity for all children is essential, whatever their age, ability, gender, race or background. We recognise that a child's self-perception can be influenced by his or her environment. We want all our pupils to achieve their full potential during their time with us. We work to ensure that our expectations, attitudes, and practices do not prevent any child from fulfilling his or her potential.

We understand that, as children mature and their relationships with peers of both sexes develop, their perception of gender roles alters. We also accept that such perceptions are influenced by other factors, including home, peer group and the media.

As a school, we incorporate Swansea LA guidelines for Equal Opportunity into our primary practice. Strategies are employed to ensure that the cross-curricular dimension of equal opportunities permeates throughout the school.

Children of both genders have equal opportunities within, and equal access to, all areas of the School Curriculum. This includes the Programmes of Study and Attainment Targets for the National Curriculum subjects and Curriculum for Wales' Areas of Learning Experience. Boys and girls are encouraged to participate equally in the full range of activities both inside and outside the classroom.

- ♦ Efforts are made to recognise, and be aware of, the possibility of gender bias in our teaching and learning materials and in our teaching styles.
- ♦ Materials are selected carefully for all areas of the Curriculum to avoid sexual stereotypes and gender bias.
- ♦ Impartiality is demonstrated by teacher time, attention and resources being given equally to boys and girls, who are encouraged to work and play freely together.
- ♦ Opportunities are given for children to work with male and female teaching and non-teaching staff.

Teaching and other groupings, such as dinner queues, assembly seating, lines for dismissal, classroom seating and playground areas, are organised by criteria other than gender or race, for example, age, friendship, random.

Equality is demonstrated when giving/delegating responsibility and noting the achievements of children.

- ♦ Discipline - notably rewards and sanctions - are the same for all children.
- ♦ Our school uniform policy embodies the same standards for all children.
- ♦ Separate toilets and separate changing facilities for PE and swimming are provided.
- ♦ Children and staff are encouraged to respect and value each other, and build and maintain co-operative working relationships both within school and in the community.
- ♦ Any discrimination that arises inside or outside the classroom is handled sensitively and discussed with the children.

Monitoring and Evaluation

Ysgol Gynradd Tan-y-lan recognises the value of evaluating and monitoring equal opportunities; measures include:

- ♦ reviewing attendance and punctuality - analysing reasons for absence - where patterns affect particular groups of children
- ♦ reviewing the quality of relationships between different groups of children
- ♦ analysing the attainment and progress of pupils, highlighting significant variations in attainment among pupils of different gender, ethnicity or background.
