# Neurodiversity Mythbusting

In order to support parents and carers of children and young people who are presenting with difficulties including the development of their social communication and interaction skills, the Additional Learning Needs Inclusion Team are holding 'Time to Talk' sessions across the county:

Date	Time	Venue
12/11/2025	09:00am-14:30pm	The Swansea Children's Centre, Eppynt Rd, Penlan, Swansea SA5 7AZ
13/11/2025	09:00am-14:30pm	The Pod, Seaview Flying Start, Swansea SA1 6TZ
19/11/2025	09:00am-14:30pm	East Early Help Hub, Evolve Brynhyfryd Youth Centre, 495 Llangyfelach Rd, Brynhyfryd Swansea SA5 9EA
20/11/2025	09:00am-14:30pm	The Pod, Seaview Flying Start, Swansea SA1 6TZ

These sessions will provide an opportunity for parents/carers to meet with representatives from the Additional Learning Needs Inclusion Team, with a view to building parent partnership, and to enable discussion of any social communication and interaction issues they may be experiencing.

We would welcome all parents/carers who would like to access support. By working together with parents/carers, we will be able to think about how best to support the family. It is important to be aware that the child or young person would not have to have a diagnosis of ASD/ADHD or be on the Neurodevelopmental Referral pathway in order for parents/carers to attend.

Please see flyers attached for you to share/ circulate to your parents. It would be helpful if the flyers could be displayed in the entrance hall of your school, on the school website and circulated to all parents via your usual communication methods.

It is essential that parents contact the email address on the attached flyers in order to book an appointment at the 'Time to Talk' session.
